## CORONATION WEEK XXXVIII

## President's Message

To my fellow board members **Brian, Michelle, Ian, Jeff, Mike, Bob, Dale, David, Kim and Lorne** – thank you for all of your hard work this year. We are an incredibly diverse group of people who, despite the occasional differences of opinion, have served this organization well and with its best interests at heart.

**Kelsey and Rene**, congratulations on a great year and I wish you both the best of luck tonight.

**Myra** - we haven't known each other for very long lol but I am soooo incredibly proud of you. You killed it this year, knocked it out of the park, and I wish you the best of luck in whatever the future brings ;)

**Jim** – thank you for letting me into the boy's club. I know you hate mushy stuff so I'll cut it short and just say **YOU'RE HOT!!**

**Rob** – brother, friend, co-conspirator, devil on my shoulder. I **LOATHE** you ;) In all seriousness though, you **HAVE** rewritten my story by being my friend. Never stop being who you are, even when some Dane calls you names. Du vil være med mig, ligesom et håndaftryk på mit hjerte. Tak.

**Jeff** – I think maybe we were each other's pacifier at times this year. You always know when I need a hug, when I need a joke or when I need to be left alone. You've been a big brother to me and I will **ALWAYS** be your pacifier. Whenever, whatever, wherever... just call. And please don't grow up. I don't think I could handle that. Love you forever.

**Brian** - I don't think either of us realized how close we would become this year. You have become a sounding board, an ally, a fellow grammarian, and a kindred spirit. Wednesday has become one of my favourite days! I cherish our friendship so much. Thank you for everything. And tell **Dayzi**, no more lists!

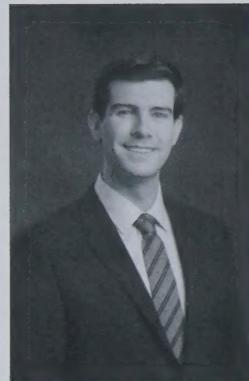

**Lonny/Mike/Bull** - there are times when I forget that we're not blood related. You are my family, in every way that matters. You will always be my boys and I wish nothing but happiness for the three of you. Love each other, take care of each other, and try not to push one another into on-coming traffic.

**TJ** – You should be so proud of your year. You helped bring new blood into the ISCWR and forged new friendships. Thank you for thinking outside the box. Thank you for listening and understanding when I need to vent, when I need to cry, or when I just need to talk. You are my partner, in every sense of the word. Believe in yourself, listen to your instincts and know that I will always have your back. I love you, for eternity.

*Kari Sorensen*

## **Message from His Worship Mayor Don Iveson**

On behalf of City Council and the people of Edmonton, Alberta's Capital City, I welcome everyone to the Imperial Sovereign Court of the Wild Rose Social Association's (ISCWRSA) Coronation XXXIX.

KELSEY-BREEZE

JACQUE STRAPPE

Good Evening Ladies and Gentlemen, Honoured Guests, and of course, Their Imperial Majesties Emperor XXXVIII JeffyLube XXXpress and Empress XXXVIII Dayzi Chayne,

Tonight is a wonderful culmination of all the hard work and dedication that Emperor XXXVIII JeffyLube XXXPress and Empress XXXVIII Dayzi Chayne have brought to the table during this past year. You have taken what was offered and flown with it! Your enthusiasm and excitement is infectious....how wonderfull! You have made your mark in reminding us, and the community, what a wonderful and viable fund-raising organization the ISCWR is. We have embraced your charities and they will truly benefit by the monies raised through-out your year.

There are glitches in all organizations, but through your guidance, everyone works together like a well-oiled machine----a community of family! From your strong Upper House, a well-organized board, and the most wonderful members, who without, none of this would be possible.

Jeff and Dayzi, you have ensured successful events and fund-raisers because of your drive for excellence and your recruitment of hard-working volunteers, from working the doors, the 50/50 draws, the raffles, and the silent auctions, and of course those who work behind the scenes.

Congratulations Jeff and Dayzi, and thanks, you make us proud of you both. Thank you for the fabulous production shows, the wonderful and successful events, and the phenomenal drag shows. From me to you, Jeff and Dayzi, thank you for all your hard work and dedication. Thank you for making me proud of what we started 39 years ago!

With gratitude,

I remain,

HISM Empress II

Dearest Dayzi and Jeff,

Has it really been an entire year? It doesn't feel nearly that long to me, although to the both of you, I'm certain it feels like it's been a lifetime. A lifetime of trials and triumphs, pain and perseverance and lastly, love and laughter. Yet, it's only been a year. And you both survived.

First I'd like to say what a remarkable job all members of your Upper House did this past year. Kelsey, Jacque, Myra as Randy; you are all great role-models for this community and I am proud to call you friends.

Working for this organization is not a way to get rich, it is a way to be rich. Rich in 'family'. Rich in friends. Rich in experiences. One cannot measure this type of wealth. Despite my years of involvement with the ISCWR, it has taken me a while to truly understand and appreciate this. I was a reluctant learner. My head was so full of how things 'should be', there was very little room for how things 'were'. Even during my year as Duchess, I felt disconnected. Removed. Present but not involved. I felt like a Guest Star in my favourite "Friends" episode. A fun addition to the "story" but not really part of the "cast". The gap, was so wide that it often prevented me from loving the charity work that we did. This year was different. For the first time, in a long while, I felt engaged. Rejuvenated. I felt like an important member of a team. A family. Jeff and Dayzi, you have both been kind in saying that I gave a gift of myself this year; my energy, enthusiasm and honesty. But the truth is, I was simply a reflection of all the love and respect that you have shown me and our community this year.

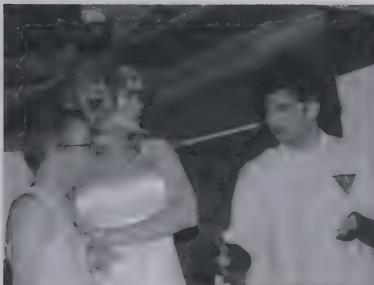

I have been privileged to have chats with you Dayzi; to bounce ideas off of you and to discuss the future of our organization, in ways that no other individual has taken the time to do so with me before. My opinions, however radical, were welcomed and valued. With you, I felt truly heard and appreciated, which fuelled my passion. I wanted to work hard for you and Jeffy, because I knew you would notice and acknowledge the effort.

You were both lead by your compassion not by your ambition. You both saw beyond the outer image of our organization and looked into the hearts of the people who comprise it. You made an effort to understand and respect our truths and experiences. You really saw us - not just for what we could do, how we could be of use, who we are or who we've been, but also for who we could be. You challenged us to rise to the occasion.

If I leave this year with one lesson learned, taught by you, it's to not let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to accomplish.

Congratulations on a stellar year! Entertainer of the Year 2013,

**Tequila Mockingbird-Steele-Fellow-Hart-Bishop-Towers**

## IN-TOWN EMPEROR 38 1/2 ROB BIGONION

It is the duty of a half-Emperor not only to represent the reign at places the Emperor cannot be, but also to be there to support his friend when the going gets tough. I would have done that regardless, but still, I was indeed honoured when His Majesty asked me to be his In-Town Half. I believe so strongly in what this organization does, and no two people better represent the best that the ISCWR has than **Jeffylube and Dayzi Chayne**. They put the cause before the crown, the work before the fun, the greater good before the ego, and they do it glamorously, humorously, majestically.

This year has seen Edmonton's court grow in new ways, form exciting new partnerships, build on the work laid down by previous reigns and set things up for reigns to come. Jeff and Dayzi, you were instrumental in every single amazing and wonderful thing that happened this past court year. You have always been tremendous supporters of me professionally and personally, and I was indeed thrilled to be able to repay that even a little bit this year, even if just with a quip or joke or somewhat off-color remark.

Jeff, my friend, thank you for including me in a year that I know has meant the world to you. You never let things bring you down too far; you always chose instead to see the good that was being done. You are a true monarch, and a true friend.

With deepest affection

### Ahoy!, from the far east!

Every year I look forward to making the trek to the west for my kind of vacation. While I visit to support a great organization, it about friends and family and that in my eyes is a vacation. This year, not only do I get to reconnect with old friends, I get to be part of an amazing celebration of a year of fundraising.

**Jeff & Dayzi**, I don't think I could ever truly put into words what I want to say or express to you both. It has an absolute honour to be part of you amazing reign and represent it wherever I happened to be in my travels. For lack of better words, I have watched a crazy pair of kids become so much more. To raise money, some may say that's the easy part, but to lead the efforts...now that talent!

My hat (crown) off to you both! Now, heed the warnings – HIDE and take a BREAK! You more than deserve it, as you have represented your community with amazing pride and dedication. Now rest after tonight and enjoy some additional time in, say, a zero gravity chair or in front of a misty fan? LOL

## ANNIVERSARY MONARCH EMPRESS XXXVII VANITY FAIR

Good evening everyone, wow so hard to believe a year has flown by already. After two busy reigns back to back, ICP 36 and an "eventful" reign as Empress 37 this past year has been all about refocusing myself and getting on with life. Being Empress of Edmonton had been a very long term goal of mine and a great many sacrifices had to be made to make it happen both before and during my reign. It was an unforgettable experience and despite the struggles I would do it all over again for my community.

I was fortunate enough to meet the man of my dreams **Derek** during the last couple of weeks of my reign, a stressful and busy time. He stood by me through it all and it has been a truly amazing year together. We all know good drag husbands are a rare thing and I feel so blessed that he understands, accepts and supports everything I do. The level of commitment we have for one another is unlike any I have experienced and I am so looking forward to building a life with him. Refocusing on work and reconnecting with people neglected during the past couple years have been my priorities this year. I am so blessed to be surrounded by friends and family who accept me and understand how important my work with the ISCWR is to me.

Congrats to **Jeff and Dayzi** on a truly spectacular reign. They have worked tirelessly this entire year and to ensure this evening is truly memorable, please enjoy the evening and thank you for being here to help us celebrate 38 years of amazing noble deeds in our community.

I remain,

## ANNIVERSARY MONARCH EMPEROR XXXVII JJ VELOUR

This being my 1<sup>st</sup> year anniversary, it has been a terrific year for my family and I. I finally got married to my partner of 11 years and we have 2 beautiful granddaughters now. My court life has slowed down a bit but has not stopped. I stepped up as Out of Town Emperor 43 1/2 of Vancouver, and my husband stepped down as Mr. Gay Edmonton 26.

I was able to make it to 3 Coronations this year. Vegas Coronation was awesome and I loved their Pirate theme. Vancouver Coronation was great to be able to see my friend and brother **Corey Carmichael** step down and then watch as my other brother **JJ Nation** step up as the new emperor. Calgary Coronation was smaller this year but I'm glad I went to support them.

The upper house this year for our city has really worked extremely hard and it shows in the amount you have raised. Congratulations to Emperor and Empress 38 **Jeffylube** and **Dayzi Chayne**. You have done amazing things and I hope your year was full of everything you expected and more. Now it's time to join us in Wuzzieland. You deserve it!

Good luck to the new monarchs and your reign. Remember your goal and focus on it throughout the year.

Big Hugs,

**Emperor 37 JJ Velour**

"The cuddly and huggable leather boycub Emperor"

## DECade MONARCHS EMPEROR & EMPRESS XXVII ROB BIGONION AND OPRAH

A lot changes in a decade. The ISCWR is no exception. Since we stepped down ten years ago, we have seen the organization grow and expand out of the simpler time we reigned in. We have made so many new friends, we have lost many others. Our community has changed — the Roost was "our bar", but it is gone now, and we have found new places we call home. Even monarchs who reigned so tightly together grow apart in ten years, although the true affection in our hearts has never wavered.

We are proud of the reign we had, and we are proud of the reign the Court has just had. **JeffyLube and Dayzi**, you are definitely amazing additions to our College, and you have accomplished amazing things. As we knew you would.

To the aspirants, we wish you all the best, and know that we are ever only a message away.

To our princess, **Sticky Vicky**, you are still missed, and we love you.

To all those who were there for our year, who have been there since, who will continue to be there, know you have our undying friendship.

We remain,

Their Imperial Sovereign Majesties

Good Evening and Welcome to Edmonton and thank you for joining us for Coronation 39. I would like to start this message by saying I only get half a page, so I'll make this brief. **Jeff** and **Dayzi**: So honored to have been part of your year. You both are inspiring. Thank you for giving me this opportunity. You and this experience have definitely changed me for life. **Jacque**: Enjoy this evening and take it all in. **Kelsey**: You've waited a long time for this, take it all in and enjoy tonight. **Ivanna**: You've always been there to listen and offer guidance when needed and it was always appreciated. Or a friendly grope in silk pj's. **Vanity Fair**: Man do I ever owe you. You've been there for me since the beginning, through two titles and a gender swap. Your guidance was never more than a text message or phone call away. I will never be able to thank you enough. My duke **Randy (TJ)**: so glad to have shared this year with you. We had our hearts set on doing this together and we accomplished that. No matter what happened this year, we were there for each other and I wouldn't have it any other way. **Kari**: You are family and you have the patience of a saint, and have a heart of gold. Love ya both. To my boys, **Bull** and **LJ**: What can I say that I haven't said before, I can't say thank you enough. No matter what I needed, you both were there. # Her Most Imperial Sovereign Highness Princess XXXVIII Kelsey-Breeze

Good evening to one and all who have travelled from near and far to attend Coronation #39. Tonight brings many emotions trapped in this old gurl's body, sadness due to the fact that this fabulous year is coming to an end, being blessed to have been able to work closely with nine unique individuals who now I call "Family" and to end with the excitement on the possibility of beginning a new chapter in "The Life of Kelsey".

To my family and friends of **Vancouver**: **Brother Cory**, have always been there with love and support, for this I thank you! JJ it was a real pleasure to be able to get to know you when I came to your step-down/step-up in March, you are having a great year, keep it rocking buddy! **Ada Burger**, Sista you are an amazing queen, kinda missing you thought maybe you will reappear sometime soon? **Mike Murrell**, always a true gentleman. And to my brother **Dennis Storm**, miss you....I hope that Vancouver is treating you well!

**Calgary**: **Momma Rhonda & Poppa Wayne**, continued love, support and friendship means so much is going on 20 years. **Daddy Dion**, I kept my word 39 is here and I am ready for the challenge. **Shawna Starr & Crystal**, you ladies are always so gracious with your kind words. **Sista Argie**, we certainly had a lot of fun running up and down Davie Street in the pouring rain laughing like crazy fools. **Ruby** my baby Sista, you have made me so proud...look ya all grow'd up now.

**Toronto**: **Michelle DuBarry**, it has been a true pleasure that I met you here in Edmonton and then enjoyed a cocktail together in Vancouver, priceless. **Miss Teran Blake**, lady you got some legs gurl! Hope to see you doing cartwheels in October at your step-down.

**Regina**: the craziest party town on the prairies! **Scooter & Cricket**, you have had an amazing run, see you both at your step-down in September. **Bruce & Avaughna**, you both have inspired me always with the dedication and the compassion that you have for the Regina Court. To my "Scratchyourass" **Sista's Roxy Diva & Trixie PanAm**, you were the first queens that I had ever met outside of Edmonton years ago at my first out of town Coronation in Regina. This friendship continues to grow, I know that you cannot be here tonight and you will be missed. **Momma Ray**...I don't know where to start! The many hours that we have shared, the laughs, the tears and memories, I sure miss you and I hope the Regina is treating you well!

**To my Edmonton Family**: **Jeff & Dayzi**, I "Thank you" for entrusting me and had the faith to become your Princess. You both selected members to your family that you knew would be up for the challenge and we did it! The experiences have now turned into memories that I will cherish for many years. I hope that I did you proud! To my Sista **Myra**, I will hold dear the many chats that we have had when I needed a shoulder as well as the many laughs, and **TJ**, your dedication to recognize the youth in our community is fabulous you are a true mentor. Oh PS... **Sam** says you are the best babysitter ever!!!! **Rene**, my hubby! I am so proud and honoured that I was able to experience this journey with you... The ride will never be forgotten! **Dee, Brandy, Robin, Rob, Fred and Nate** so delighted to have accomplished many things with your involvement!

I know that I am going to forget someone so I will apologize now..."I'm sorry", **The Board of Directors**, **BigDaddy**, **Rick**, **Yeust Bob**, **Bob T**, **Mary**, **Kim**, **Larissa**, **Leah**, **Tracy**, **Blair**, **Iwona**, **Jarek**, **Vanity**, **Chris**, **Tequila**, **Gogo**, **Chantelle**, **Clara T** and my BFF's **Cory & Derek** I cannot express just how much I love and adore you all for the support you have given.

Now for that "Very Special" person in my life, my partner **Dale** (Ivanna Diamonds). No words can express the undying love that I have for you. You are my rock babe', you are always there to support my decisions. I am so very happy to have you and "our" **Sam** in my life.

Sit back relax and enjoy the evening!

# Her Most Imperial Sovereign Majesty, Empress XXXVIII Dayzi Chayne

Welcome to Coronation 39 – Frenzied Flights of Fantasy. I hope you enjoy the evening's festivities as we bring a blend of Ball and BALL!

It seems like just yesterday JeffyLube and I stood here in front of you and took on the mantle and Emperor and Empress! What a ride it has been! There are so many vivid memories of the past twelve months, and I'll start by saying nothing really prepared me for the **emotion** of it all! My wish is that the work of JeffyLube, myself and Team 38 has had a positive affect on the community and raised the profile of the ISCWR.

It wasn't until Victory Brunch that I realized why I wanted this title and all that went with it. So I am here to say, "We did it!" We raised a whack load of money, and we had a whale of a time doing it! JeffyLube and I chose our charities because of personal connections. The Alzheimer's Society of Canada - in recognition of my mother's debilitating journey with dementia, The Canadian Cancer Society in memory of my sister, my father, and Jeff's father (amongst many others), the Pride Centre of Edmonton, whose roots as GLCCE provided the support Jeff and I, as "late bloomers" found so valuable; and of course the bursaries which are provided by the ISCWR to support the post-secondary studies of our youth. Many times this year it has been that mission that has helped me over hurdles and past perceived road-blocks to achieve the goals we set forth.

It is work you cannot do alone and it has been our fortune to have an Upper House who have believed in our vision for the year, and who have believed in us! They have lovingly ... I think... referred to me as OCDayzi and I'll admit to that. My heartfelt thank-yous for their patience as they learned to deal with Dayzi's lists! (and lists of lists!). My Princess, HMISH Princess 33 & 38, **Kelsey Breeze** - more than once I thanked you and you would reply "You don't need to thank me." But you're wrong, I do. You understand volunteerism - it's what we do not just when we hold a title, but when we believe in an organization. My duchess, HMISG Duchess 38, **Myra Maines** - our glamazilla Duchess! You are one of the hardest working members of our court and you understand duty (hehe the Empress said "doody"). Your transition to drag was amazing to see (but I knew it would be from the moment I saw you do "All the Single Ladies"!). Who knows what titles lay ahead for Stiffy/Myra!?! HMISH Prince 38, **Jacque Strappe** - all I can say is pace yourself. All those ideas and enthusiasm can't fit into one year! Our Duke 38, HMISG **Randy Quiver** let us know very early on, that if we should ever run for the E&E titles, that he wanted to be part of it. We have not been disappointed! Like all of the upper house, the title/position has been secondary to the teamwork that has been involved! They, together with our "**Halves**" **Fred, Nate, Rob, Brandy, Dee, Robin**, have made us so proud of Team 38!

To our lower house title holders, and the Camp Title holders listed elsewhere within this ball program - **Dixie** (so much time, so few obligations), **Mary, Bianca, Reuben, Tequila, Victoria, Lola, GoGo, Knight Ryder, Angelo, Phi Phi, Venus, Carrie, and Nicky** - you have been part of that team as well and I hope you will always value your time with Reign 38 and continue to demonstrate the values of the ISCWR - reach out to all communities, make them feel welcome and be great ambassadors of our organization. There are still many who know so little about the ISCWR and the work that we do.

Thank you to the organizational supporters of Reign 38: **The Edmonton Pride Festival Society, FAB, Fruit Loop, HIV Edmonton, Lupercalia, The Pride Centre of Edmonton, Wominspace** and our venues—owners and management, **Murray, Scott and Rob** and the staff of **Evolution Wonder Lounge**, **Jim** and the staff at **Woodys/Buddys**, the **Ramada** here on Kingsway; our sponsors **GayCalgary (Rob and Steve), KinkStore.ca (Lori and Nikki), Theatre Garage (Tessa and Christy)**, you have all played an important part in our successful year!

It is important to remember that as Emperor and Empress we are representatives of the Board and membership of the ISCWR. I hope we have earned their respect in the work we have done on their behalf. Like any organization, we are made up of many diverse backgrounds and personalities and that can present challenges! I am proud to have had this opportunity, and I thank the **Board** and membership for their support!

Thank you for the prairie hospitality that is in the city that rhymes with fun! **Mercedez, Cricket, Scooter** and your upper houses. **Bruce and Avaughna** it has meant so much to share even a few moments with you! <3!

**Vegas** - just what kind of pirates did you think would be coming from Alberta? The bonus was a mini-holiday! We'd love to come back!

**Vancouver**, the mother Court of Canada - so many good friends over the years, but special thanks to **Cory** and his Queens (special shout out to our Edmonton girl **Mandy** and of course **Judy and Kyle ..and Fynn**...for their west coast hospitality!), and

of course the reigning Monarchs **JJ** and **Kiki, Gale**, it has been such a joy to get to know you! Pimp that ride! **Jamie**, so political and so much passion! **Mona and Stephanie** - is it a bad thing to be considered an icon? I think not!

**Uwe and Walter**—just **WOW—Jasper** and Banff are not the only gems of the Rockies!

**Calgary**, our sister city to the south. You are like family, a home away from home, and we always feel so welcome - there are too many dear friends in Calgary to name them all but it was special to reign at the same time with **Argentina** (your laugh is infectious) and **Jasper** (you'll never keep up with my camera), and of course now the "**Frosts**" **D and R**, and their dynamic upper house. It was amazing seeing you in action at the rodeo! **Ruby**—sister/daughter/mother? You do it all from elegance to trash, but always with style! ...well, almost always! **Dion** - such a strong belief in your court and killer smile. **Scott**, and **Matt** - rodeos bring out the cowboy in you Easterners. **Terri and Justine** - I never tire of your talents. Such a delight.

We are soooo glad to have made it to Surrey to see sister **Erica** step up, with the fantastic Mr **David Cook**. Surrey was truly Divine! The ever elegant **Susan** and **Jennifer**. And love that **Daisy**! And then before you knew it, **David** and **Luc** were back here in Edmonton for our Gay Pageant! Thank you for the Court Award! And of course it's always fun to see **Martin** in action. He certainly gives OCDayzi a run for her money!

To finish off our travels we survived 30 hours in the car for a 72 hour trip to Winnipeg and were able to see **Tyra** step down and **Satina** step up. Best wishes for an amazing year ahead! The SOMS of Manitoba certainly has some show stoppers in their ranks! We'll be back!

I give special thanks to the people chosen or who stepped forward to support and help me through the tough spots this year. **Robin** - it all started with the new Empress of Edmonton wearing nothing but a fur coat sending an early morning text for help the morning after step up and continued with the delightful "Chayne Mail" messages on Facebook! **Brandy** - our home in the country where visits are always too short but always so rejuvenating. **Fred** and **Barkley** - a package deal of "flawless" friends - we'll miss the postcards. And then there are the unofficial half-empresses. **Jim/Debi** - I have learned so much from you - you are "real people", and **Chatty** - our weekly coffee at Tim Horton's with all the other retired folk - and sometimes all you could do was listen as Dayzi went on, and, on, and on, and.... I credit both of you with keeping my (and by association, Jeff's) sanity. Thank you, friends!

There are so many people who have believed in us - Thank you!!! Each of you has given assurance, advice, provided a different perspective, or just a comforting touch or crazy laughter, and it is beyond words how much it has meant - **Kari, Rob, Yeust, Kim, Ivanna, Big Daddy, Dale, Thelma....** Apologies to those friends who have seen so little of us this year, but still understand - **Karen, Pam, Emil, Rick** - we shall return!!! What will normal look like? Is there such a thing? Families come in all permutations. I am blessed to have a wonderful family, both blood and chosen, with an ever-growing number of grandchildren! Special thanks to the family members who have embraced the drag obsessed couple who not so long before were introverts on the branches of the family tree. Thanks especially to Jeff's **Mom, Shirley** who joins us tonight and knowingly and sometimes, unknowingly "likes" some of those rather obscure Facebook postings that Jeff is known for! My heart and soul belong to **Jeff**, my husband and life partner of 16 years! I wouldn't have done this with any one else. He is my rock! With him by my side I never falter! .... We do however on occasion falter together, but we never post it on Facebook! And hopefully his message may cover some of the points I may have missed here. Although we're very much in synch, as you know we have very different styles!

To the next reign, I wish you much success, and when at victory brunch we hand the reigns over to you, believe in yourself, believe in the ISCWR, and represent with honour.

Like any journey I have been changed - and I believe for the better. My eyes are more wide open and I've learned to let some things go. I've even learned to delegate! I've been reminded more than once of what is important in life and it's about relationships—**consider yourself included here** if we have crossed paths in the most positive of ways—**THANK YOU!** to the many, many **believers** and **supporters** of JeffyLube and Dayzi Chayne, for accompanying me on my travels!

In service I remain,

As I was considering the possibility of running for Emperor, quite a few people who, either currently or in the past were Emperors/Empresses, told me that no matter how prepared I thought I was; no matter how long I'd been involved with the organization; no matter how many other past titles – both lower and upper house – I might have held; *nothing* can totally prepare a person for their year as Emperor should they step up.

They were right.

I was not prepared for such a wonderful, fulfilling, exciting, busy, heartwarming, FUN year. With an event almost every weekend from the moment we stepped up it has been a whirlwind of shows, fundraising, events, community and friendship.

I was not prepared for a year with little or no drama. Considering the range of personalities, emotions and "diva-ness" that we have in our community, we have had a remarkably drama-free year. Yes, there were a few issues that came up but they were nothing major and were taken care of quickly and respectfully by an amazing board and upper house that worked as a team. And we kept them off Facebook. That in itself is an amazing accomplishment these days!

I was not prepared when those who I thought would be there to support and mentor this new Emperor after step-up either disappeared or became less than supportive.

Conversely, I was not prepared when out of the blue I received support and guidance from members of this organization and other community groups that I never expected or asked for; that warmed my heart and helped me over any bumps in the road that might have come along (thank goodness the bumps were few and far between). Believe me when I say: the support received outnumbered the non-support a hundred-fold - I am certainly blessed.

I was not prepared for the anonymous flowers left on our front porch with a card letting us know what a great job we were doing. To this day I don't know who did it. It was an amazing thing to happen and I will never forget it. Thank you, whoever you are.

I was not prepared for a postcard delivered by snail-mail every week from step-up to step down, mailed from Calgary by my **Half Emperor Fred** with a short, handwritten, inspirational note on every one. I have 52 postcards which I will treasure forever.

I was not prepared for our year to have not one but TWO (and, tonight makes 3) very popular ISCWR Production Shows. We had no sooner stepped up than we began rehearsals for **The Rocky Horror Picture Show**. Then we had **Grease**, an amazing combined effort of the ISCWR and **Wominspace** – shows what we can do as a community when we work together – and a big thanks to **Kim Pizsey**! We didn't get to "A Chorus Line" (only so much we can do in a year – maybe next year, **Jim?** LOL). Enjoy tonight's production of **Rogers and Hammerstein's Cinderella** throughout the evening. The cast and crew worked so hard and rehearsed for months to make this dream of mine come true!

I was not prepared for the enthusiastic support our reign received from other organizations and businesses when we approached them for help. **Wominspace**, **The Federation of Alberta Bears**, **Illusions**, **Fruit Loop**, **The Pride Centre of Edmonton**, **The Edmonton Pride Festival Society**, **GayCalgary Magazine**, **Kinkstore Canada**, **Theatre Garage**, just to name a few have been generous in their support and partnership. **Buddys/Woodys** and **Evolution Wonderlounge** opened their doors as well as their hearts to allow us to put on shows and fundraise in their establishments: we certainly couldn't have had done it without them!

**And now for the Thank You portion of this message.**

Sorry. There is simply no way I can fit, in a 2-page message, all the people who I need to thank for making this year the amazing experience it was (have a look at **Dayzi's message** – she covers a lot of ground there LOL). It's simply not possible. So take out a pen (or borrow one), insert your name below. **For it was because of YOU that we had the amazing year we had.**

THANK YOU \_\_\_\_\_

THANK YOU

INSERT NAME HERE

*That being said:*

**Jim McBride** - your support and help this year was amazing and so appreciated. We couldn't have done it without you. **Lj Steele** – always there for me when I needed you, and your help on the production shows was invaluable!

**Rob BigOnion:** you never fail to make me laugh, to brighten my day when I'm feeling blue, to send encouragement when I'm feeling overwhelmed. Yoodabest! **BigDaddy Pump** and **Ivanna Diamonds:** whenever I need advice, a shoulder to cry on or just someone to talk to you are there. Love you both! **Kim & Larissa:** boy, did you two ever step up to the plate this year! Thank you so much! **Barkley:** yeah, well. Cynthia. Love you. DOT COM! LOL

Dayzi and I managed to make it to 6 Out of Town Coronations – **Regina, Las Vegas, Vancouver, Calgary, Surrey and Winnipeg:** your hospitality was most appreciated. We had a blast!

**Our Upper House** What can I say that hasn't already been posted a zillion times on Facebook: we had, beyond compare, the **BEST Upper House** in the **HISTORY** of the Imperial Court System (IMO. LOL). **Kelsey, Jacque, Myra & Randy** – not only a great team but four of my best friends. **Rob, Dee, Brandy, Fred, Nate & Robin:** six halves who made us whole: the support and love you provide is priceless and I thank you from the bottom of my heart.

**Our Board:** We have been fortunate to have a supportive and very active Board that not only did the behind-the-scenes work that needed to get done, but generously stepped forward at events to volunteer in various ways. Thank you **Kari, Brian, Ian, Michelle, Michael, Bob, David, Kim, Lorne, Dale, Lj & Doug.**

**My family.** To my daughters **Lindsay** and **Megan:** thank you for being so patient with your crazy dads this year. You both have been so wonderful in your support and acceptance and both of us are so proud of our girls! You came to our shows (and brought your significant others, your friends, your co-workers) to show your support and that means more than you can know. To my siblings **Lisa, Lori & David:** I still think I'm the normal one in the family. To my mom **Shirley Park:** LOVE YA, MA!!!! Thank you for being here tonight!

To my new **Grandson Hunter:** you are going to be a member of a remarkable family: your mom & dad are two of the best, and who wouldn't want two Grandmas and four Grandpas to spoil you rotten? I am confident you will grow up in a much more accepting and tolerant world and that is a wonderful thing to know.

And finally: my Empress, my husband, my best friend: It was inconceivable to think of doing this without my **Brian** and **Dayzi.** We are an inseparable team both in "real life" and in Court. How could it be otherwise? I love you. ♥♥♥

Good evening ladies and gentlemen! It's hard to believe that a year's gone by so quickly. Didn't we just step up a month or two ago? Where does the time go?

I always feel awkward writing something like this, knowing that I have far more to say then I have space to write in. Or, for that matter, that people have the patience to read through. After all, how do you summarize a year's worth of experiences onto an 8.5"x11" page?

There's a proverb that I've heard recently. It's really struck a chord with me, and although I've only just recently heard it, I believe that it strongly represents exactly I love this organization, both locally and internationally, as much as I do:

"The most noble thing a man can do, is plant a tree whose shade he will never sit in."

When you're heavily involved with this community, it's easy to find yourself in a sort of tunnel vision. You go from event to event to event, often thinking of which out of town balls you plan on going to, what you're going to where and when... and you stay so busy that it's easy to forget why we do it in the first place.

One of the events that really sticks out in my mind from this year's reign, was attending Queer Prom for the first time. I remember being amazed at the number of youths who felt completely safe and comfortable just being who they are. They didn't care about what rules you had on what sexuality should and shouldn't be, on what gender should and shouldn't be. All they cared about, for one amazing night, was that they could be the person that they felt the most comfortable and happy being. Did we make any money for our charities that night? Not a dime. What we did do was be witness to, and enabled, history in the making for the GLBT community in this country. I was reminded that all the drama and in-fighting that we sometimes have to deal with, all the struggle that we might have to go through, is worth it if future generations can have it even just a little easier then the generation before it. In the end, all the little fights and squabbles just don't matter. It's the legacy that we leave behind as a community that matters.

And now, to my partners in crime from the past 12 months...

Randy: I feel like we've become much better friends over the course of this year. It's been amazing spending time with you, and Winnipeg was an absolute blast. You've been a rock for me in ways I doubt you even realize. Thank you.

Myra: You've become a hell of a queen and a force to be reckoned with. You're a kick-ass performer, and I'm curious to see how far this new stage persona will go. Maybe Stiffy and Myra can do a duet one day.

Kelsey: If truth be told, I honestly didn't know how this year would go. But I'm very happy to say you're one of my friends now. Regardless of how tonight goes, we had a hell of a year, and you've been a part of so many memories that I'm going to cherish for many years.

Jeff and Dayzi: Seeing as you've cheated and decided to edit the ball program yourselves, I've decided that I will not be saying everything I want to here. You'll have to listen to the protocol for my final walk if you want to hear everything. But suffice it to say, it's a very rare thing to be able to spend a year, not only in service to a community that you love, but doing so alongside people who you consider your closest friends. I feel blessed to have you both in my life, and I am truly honoured to have been your Prince.

Much love.

## Mz. Gay Edmonton XXVII

Congratulations to **Dayzi Chayne** and **JeffyLube XXXPress** on an incredible year, and the entire 38th upper house on an amazing reign! You have all not only inspired me, but sparked something wonderful in our community. I am so grateful to call you friends and consider you family. I know you will all continue to do amazing things in the years to come. Because of you I am looking forward to this year and what it holds with the new Monarchs. Take pride in what you have done, and take time to rest, relax and enjoy this night (and the time off coming your way). You have earned it!

I love you all,

## CARRIE DU'WAY

## Mr. Gay Edmonton XXVII

While I've been involved in Drag in various ways for years, this is the first time I've been involved with the court and couldn't have found a more welcoming group of people. I'm honored to start my term as Mr. Gay Edmonton in the powerhouse reign of **JeffyLube** and **Dayzi**, Emperor and Empress 38 respectively. They have been wonderful role models that while balancing the responsibilities and duties of their reign managed to have some fun as well as raise funds for charity. I couldn't be more honored to be a part of Coronation this year.

I'm looking forward to working closely with Emperor and Empress 39 throughout next year, and hope we can collaborate on some amazing shows, perhaps even a few more nerdy numbers or two.

I would like to take this opportunity to congratulate HMISM Empress XXXVIII **Dayzi Chayne** and HMISM Emperor XXXVIII **JeffyLube** for their amazing year! You have given so much to this community and worked so hard and I am proud to have had a small role in the your reign. I would also like to congratulate the Upper House for all of their tireless efforts in creating a reign that was inviting and supportive for all who participated.

As the 27<sup>th</sup> Ms. Gay Edmonton I look forward to representing my community and being there to help in any way possible.

## The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.
